

Dear _____,

Hi! My name is Flat Stanley and I was sent to you by my friend_____.

We knew that you just love to help us learn about new places. I'm very excited to be with you!

In school, we are learning how to locate our state and country, as well as other countries, on maps and globes. Please take me to a landmark specific to the city/state/country that you live in, and take a picture with me there. If you prefer, you may send a small souvenir with me instead.

Then, please return me to the school, so I can let all the other students know where I've been. I'll share all the details of my fabulous trip with the class so they can learn about other cultures and customs around the world.

Your friend,

Flat Stanley and _____

The school address is :

Precious Blood School
4870 Denlinger Rd.
Dayton, Ohio 45426

I can't wait to see your hometown!
